Chicago, May 26.—Excessive rains in the northwest and reports of a probable heavy frost in that district turned the strength today in the local wheat market. The July option closed at a net gain of \(\frac{4}{4} \textit{a}^2 \text{sc.} \) Corn was up \(\frac{1}{2} \text{c.} \) Oats were up \(\frac{3}{2} \text{c.} \) Provisions were a shade higher to 5c lower.

were up %c. Provisions were a shade higher to 5c lower.

Trading in the wheat pit was not active but the tone of the market was strong all day. A slight reaction took place immediately following the opening, because of selling by pit traders who were influenced by lower cables and additional rain in the southwest. The depression vanished immediately several leading commission houses commenced to buy wheat. The upturn was the result of the report of the weather bureau which announced general rains throughout the spring wheat territory. Many of these advices were to the effect that serious damage would probably result, as the wheat fields of Minnesota are inundated. Late in the session the market was further strengthened by a report from Minneapolis which said there was likelihood of a heavy frost tonight in Minnesota and the Dakotas. The market closed strong, July opened 1/2c lower at 83/4c, sold off to 87/8 @83c, and advanced to 83%c. The close was 83%/2831/2.

Despite liberal local receipts the corn

was 83%@83½.

Despite liberal local receipts the corn market was strong today, strong all day, on agood demand by commission houses and cash buyers. Aside from this buying the strength of wheat was the chief bullish influence. The market closed strong with prices close to the highest of the day. July opened ½c to ¼c higher, and closed at 47%c, advanced to 47%@47%c, and closed at 47%c.

Via Oregon Short Line, \$1.00 round Closed at 47%. Outs were strong all day on a good demand by cash houses and numerous reports of damage by drought. The market was also influenced by the strength of other grain. The bulk of trading was in the September delivery. July opened 1/20 and 6:20 p. w

One lady who has suffered for years says she is free from all symptoms of Catarrh in four treatments. A prominent business man says: "I would not take \$100 for the relief I have received in one week. You have a wonderful discovery." Still another patient, who has treated under the OLD STYLE METHODS for months, with only partial relief, now says ten days of the NEW TREATMENT has done her more good than all the rest of her treatments together.

JUST THINK OF IT! Cures made in a few treatments without stomach drugging. Think of patients who were about to submit to the surgeon's knife completely relieved in a week, and the operation avoided. Think of cases that have suffered for YEARS, relieved immediately and cured in less than a month—and you can form a faint idea of the wonderful possibilities of this remarkable discovery.

ONE TREATMENT CONVINCES ANYONE—YOU DON'T HAVE TO BELIEVE—JUST TRY IT.

No matter what form of Catarrh you have—no matter if you have been told that an operation was necessary—JUST TRY THIS NEW TREATMENT and see for yourself that "the half has never been told," and you will thank Drs. Shores for giving you the opportupity:

and you will thank Drs. Shores for giving you the opporturity.
Catarrh of the Head, Deafness, Asthma, Hay Fever, Lung Troubles, obstructions and growths in the nasal passages find immediate benefit under this marvelous new treatment.

ANOTHER EXAMPLE OF DRS. SHORES' SKILL.

READ THE HONEST TESTIMONY OF THIS GENTLEMAN-THEN GO SEE HIM AND ASK HIM ABOUT HIS EXPERIENCE.

MR. PERLEY K. SCOTT, 213 East First South St., Salt Lake City.

Mr. Scott says: "I have suffered from a complication of catarrhal diseases for five or six years. My stomach distressed me, my appetite was poor, my eyesight affected, had earache, and my head ached CONSTANT-LY in spite of all I could do, and my night's rest was always broken. I have treated with the most eminent Doctors in the United States, without relief. I was under the care of the most noted specialists in Denver for seven months, and got absolutely no relief, although I spent lots of money on treatment. Two months ago I came to Drs. Shores & Shores and began their treatment. IN ONE WEEK I FELT BETTER, and have steadily improved since, and today my stomach is all right, I sleep better than for years, my terrible headaches are almost entirely a thing of the past, and I can honestly say that Drs. Shores have done me more good in two months than all the doctors and medicines I have used in six years, and I want to tell everybody who suffers all about my case.

(Signed) "PERLEY K. SCOTT."
